MARTIN of Wilson, Cheatham of pleasing to see Grant engaged in se ublime a task? What could the old woman give? Her little larm would the command broke and fled in all be contenued by our emperor, but Jackson won the undying love of her lescendants, who, to this day, revere his memory only next after that of the aged grandmother whose last resting-place is still pointed out to strangers

tine L. Rose, is lecturing in England to in Jonesboro, BURNSIDE AND THE PAINTER. The superintendent general of the re-cruiting service at New York has been ordered to forward one hundred recruits This reference to the excellent Knoxville artist, Mr. Fisher, now engaged upon a portrait of Governor Senter, designed to fill a place in the capitol at Nashville, reminds me of a story illustrative of woman's weakness. It is said, you know the regiment of the gallant Martinique was reassembled; how Bob escaped, minus hair and whiskers and with blistered face and hands, by a bath in the specific content. (Democrat) 48,536; and Wendell Phillion in the sixteenth infantry, and also one hundred story illustrative of woman's weak-to Atlanta, Georgia, for assignment to the ness. It is said, you know, that wostory illustrative of woman's weak-ness. It is said, you know, that wo-man, when the secret history of the late war is written, will be found to have given it maternity—of that here-tion of the command caught the infec-tion of terror and moved rapidly to-Butler can control even one-third of the regular Republican vote, together with the Labor Reform vote cast for Mr. Phillips last year, he will prove a very dangerous if not disastrous competitor to the regular Radical nominee. So much for the irrepressible

The funeral of Judge Taylor, of Texas, a delegate to the Masoule convention at Baltimore, who died on Thursday night, took place at Green Mountain Cemetery, under the direction of Fidelity Lodge of Mr. Phillips last year, he will prove a very dangerous if not disastrous competitor to the regular Radical nominee. So much for the irrepressible The funeral of Judge Taylor, of Texas,

disposal, and he was borne a very hero of honored "art" across the mountains to Lexington, Kentucky. He now stands with Stuart first among portrait and landscape painters of St. SIEGE OF KNOWVILLE.

This story reminds me of Long-street's fatal blunder at Knoxville, When he came here he might have entered Knoxville, the people say, as easily as he encamped before it, and when he attacked the place he assailed, it is asserted, the only defensible position of Burnside. Burnside's The magnificent passenger car "Georgia," made at the shop of the Memphis and Charleston railroad company, by Andrew Drew and his assistants, has been sent to Atlanta and Augusta for exhibition. It was met yesterday at Chattanooga by a delegation of workmen from the Georgia road, and goes South on its triumphal march. The car and all its appointments and decorations is simply magnificent, unsurpassed by any like vehicle ever seen upon a Southern like vehicle ever seen upon a Southern placed the point of confluence some rallway. Its whole cost did not ek distance below the city. Beaten, after ceed \$5200, and one like it cannot be some of his soldiers, led by Col. Fizer, delivered in Memphis, from a New England shop, for less than \$6500. The waitut lumber, mainly used in making the seats and celling, abounds in the vicinity of Memphis, and the windows, is of magnolia. Five such heroically near Richmond, and was cars will soon be finished, and Mem-wounded, I believe; but his campaign phis becomes the site of car-building in Eastern Tennesses like that he shops, with which, because of the once conducted south the cheapness of materials used, no city has often been harshly criticized. THE CAMPAIGN OF MORAL EFFECT

An allusion to Chucky river remin the transfer to that city of great wealth to be employed in car-building.

The obstacle to be overcome lies in the obstacle to be overcome lies in the large of that stream by valiant men and the rivalry of railroad lines. The great soldiers now no more. One of proper to make a terrific display of Confederate power among the den ous line to Baltimore or Philadelphia zens of Chucky valley. These people adhered to the Union and seemed not to recognize the suddenly full-grown ble as those that make Pittsburg the Newcastle of the Valley of the Mississippi. With cheap fuel Mr. Drew will be enabled to defy all possible competipursued a parallel route a few miles istant on the further side of the mountain range. At night Col. Martiniqu encamped along the banks of Chucky and there was only space enough for a single line of battle between the river and the precipitous hills. Martinique was greatly alarmed lest the Union men of the district should roll stones down the steep declivity and destroy his whole helpless force. He thought it advisable to fire his light It happened a few days ago that a artillery. The thunder of guns ech poor woman, the widow of a mission- ing among the mountains and valleys ary who died in China, came to Grand of Chucky "would produce a fine Junction. She reached New York in moral effect." h is said to be the Will not the smelling committee of Congress send a few of its sanctimonious members down to Syracuse? Surely such deeds of monstrous barbarism cannot be endured. If done in dren sickened and died. The mother who thought to make the Unionists worn out by anxiety, travel and watch- know that Martinique was not wholly clare martial law and the Radicel ing, became helpless. She was placed unsupported. Martinique heard Gen-Grand Junction starved to a very skel-eton. Utterly helpless she made known the facts of her condition, his guns at an angle of more than one passengers on the two hundred and twenty degrees, and mine host of the railroad hotel took ty. The command and its leader
